and PAYMENT OF REQUEST FOR CONTINUED EXAMINATION FEE

Commissioner for Patents
P.O. Box 1450

Sir:

On November 29, 2004, applicant's undersigned attorney filed a Letter Requesting Refund in the above-referenced patent application. During a telephone conversation with Latrice in the Deposit Account Department (1-703-305-4632), the undersigned attorney's secretary, Linda Ibbett, was informed that the November 29, 2004 Letter Requesting Refund did not show up in Latrice's computer system and was apparently never received by the Patent Office and matched up with the above-referenced application. Our return receipt post card (copy enclosed) shows that the November 29, 2004 Letter was received by

the U.S. Patent Office on December 2, 2004, so perhaps the Letter has just not yet been received by the Deposit Account Department or matched up with this matter. A copy of this Letter without enclosures is being transmitted herewith for your information. A line has been placed through the enclosed copy of the Letter Requesting Refund, and a note reading "THIS LETTER REQUESTING REFUND IS BEING CANCELLED BY APPLICANT'S ATTORNEY" has been written thereon.

An explanation of the reason for cancelling this Letter Requesting Refund is as follows. The Letter Requesting Refund stated in part "...the PTO charged the \$770 large entity RCE fee to our deposit account instead of the \$385 small entity RCE fee." Applicant's undersigned attorney of record, who also signed the Letter Requesting Refund, has since discovered that the \$770 RCE fee had not been charged to our deposit account at the time the Letter was filed. The incorrect statement in the Letter stating the PTO charged the \$770 large entity RCE fee to our deposit account was made by mistake and was not intended to deceive. Accordingly, now that this information has been found to be incorrect, applicant's undersigned attorney is cancelling the Letter Requesting Refund.

Our review of the statements for our Deposit Account No. 16-0820 from June 2004 to present did not find any charges or credits for an RCE fee in the above-referenced application. Based on our review of these Deposit Account statements, the undersigned attorney believes that we still owe the U.S. Patent Office for the RCE fee in this application. Enclosed is our check in the amount of \$395 to cover the small entity RCE fee at the current fee rate. With the enclosed \$395 payment, applicant's undersigned attorney believes that the matter of the payment of the RCE fee due in this application has been concluded.

If any further fees are required by this communication, please charge such fees to our Deposit Account No. 16-0820, Order No. 37259US1.

Respectfully submitted,

PEARNE & GORDON LLP

LETTER REQUESTING REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

When this application was filed, small entity status was claimed (see enclosed copy of Utility Patent Application Transmittal). When the filing receipt was issued (copy enclosed) it listed this application as a small entity application. Via a paper filed April 30, 2004 (copy enclosed) applicant again claimed small entity status. Therefore, when applicant filed a Request for Continued Examination (RCE) (copy enclosed) via fax on June 21, 2004 and requested that the RCE fee be charged to our deposit account, the PTO should have charged the \$385 small entity RCE fee to our deposit account. However, through an error, the PTO charged the \$770 large entity RCE fee to our deposit account instead of the \$385 small entity RCE fee.

Accordingly, applicant requests that the PTO refund the excess \$385 fee back to our Deposit Account No. 16-0820 as soon as possible. If you need more information, please contact the undersigned.

Respectfully submitted,
